

Florida Indoor Air Quality Business

The Florida Indoor Air Quality Business Listing has been prepared as a public service for persons needing assistance with indoor air quality concerns and is informational in nature. DOH has not verified the accuracy of the information reported or evaluated the quality of service provided. No governmental approval, recommendation, accreditation, or endorsement of any kind is intended or implied by the appearance of any name in this listing. There are currently no state or federal certification, licensing, registration or permitting requirements of any kind, nor standards by which to measure service quality of any kind, except for radon, lead and asbestos service providers. Inclusion of businesses in this listing does not imply directly or indirectly that any standards by which to measure service quality have been established or met. This is a complete listing of IAQ businesses currently on file for the region described below. For more information please call (850) 245-4288.
