

How to connect to the RRAC Web Conference

For the **web meeting**:

The link to join the **web meeting** is <http://connectpro22543231.na5.acrobat.com/rrac/>.

Please click on the "Enter as a Guest" radio button and **enter your full name** in the "Name" box then click the "**Enter Room**" button. If several people are viewing the same computer monitor, please list everyone's name. If the names don't fit in the box, you can record them in the "Chat" window within the web conference program.

Please note: If you have never used Adobe Connect Pro, you may need to download a Flash plugin. Prior to the call, please visit https://admin.acrobat.com/common/help/en/support/meeting_test.htm to test your system and install this plug-in.

For the **conference call**:

The conference call dial-in number is **888-808-6959**. The conference code is **1454070#**.

We will initiate the conference call and the web meeting about 10 minutes before the start time to give everyone a chance to get logged in.
