Concisely summarize this month's activities.:

Andy Natal and Jim McRae met with McInnis Elementary Principal, Malloy Headstart Administrator, 2 local church Pastors, Florida Farmworkers Association representative, and the Deleon Springs Merchant Association to explain and describe to them about the PACE Program. The merchants are planning a fun day on October 11. We asked if we could set up a display booth to inform residents about PACE (they said yes). We have drafted up a survey and had the merchants review it. They had a couple of suggestions for improvement so we are making those changes to the survey. We plan on asking attendees to the fun day to fill out the surveys. The survey has been translated into Spanish.
