

## **County Health Department's 2008-2009 Accomplishments & Goals**

### **Accomplishments:**

- St. Johns CHD - Governor's Sterling Award
- Sarasota CHD - New Access Point Community Health Center Grant
- Citrus CHD - New Access Point Community Health Center Grant
- Santa Rosa CHD - New Dental Clinic in the southern part of the county
- Walton CHD - Moved into new facility
- Calhoun CHD - Liberty CHD Community Health Center additional site for services added Calhoun
- Jackson CHD - Partnership with DOC for STD services to inmates in 3 institutions
- Alachua CHD - Partnership with DOC for STD services to inmates in 5 institutions, expanding to a 6th
- 8 CHDs are Federally Qualified Health Centers and received expansion of services funding and Capital Improvement funding from HRSA stimulus grants
- Seminole CHD was first CHD in nation recertified as Project Ready
- New facility in Polk County, Lake Wales, opened for services
- Highlands Avon Park location renovated and provides expanded services
- Orange CHD taking over Hug Me grant funded program for HIV population to save the program (51 jobs)

### **Goals:**

- Replace existing core contract model with a more comprehensive annual business plan for each CHD
- Focus on meeting the expanded needs of the population caused by the down turn in the economy.
- CHDs adapt to FTE and Rate as with the remainder of State Government
